

# *Microinvest* partners policy:

## General information

According to our distribution policy there is a possibility for a few company representatives in each country, where **Microinvest** sells its products. Our partners are authorized to consult, provide technical support, sign contracts, conduct trainings and expand the resellers network.

## Partnership advantages

- Convenient conditions of cooperation
- Varying discount % according to different sale quantities
- Help in introduction, technical support and work with our software
- Advertising on the official website of **Microinvest** – [en.microinvest.net](http://en.microinvest.net)
- Participation in regular free seminars in your country
- If necessary training in using **Microinvest** software

## How do we support you?

- Online support via Skype - four available accounts: [microinvest.bulgaria](https://www.skype.com/en/contacts/microinvest.bulgaria), [microinvest.varna](https://www.skype.com/en/contacts/microinvest.varna), [microinvest.tarnovo](https://www.skype.com/en/contacts/microinvest.tarnovo), [microinvest.burgas](https://www.skype.com/en/contacts/microinvest.burgas)
- Tutorials and documentation in English language
- Free technical trainings in our Headquarter office

## More information

For further details check the “Partners” menu on our website - [en.microinvest.net](http://en.microinvest.net)
